

## Warm Up

# Main Ideas

---

Today we are going to learn a new student learning method, which has shown to be effective in a research study at Carnegie Mellon University. It is a Lesson Wrapper concept called “Main Ideas.”

1. Brainstorm with a partner some ideas for **active listening** during class. List them here.

2. Try to use one (or more) of these methods which you believe will be most effective for you as you listen to today’s lecture. **Circle the method(s)** you selected in the list above.

---

**MAIN IDEAS:** List the Main Ideas for Today’s Lesson

---

At the end of the lecture, include any other important points your instructor provides and write them in the space below.
